UNCLASSIFIED CONTRACTS BETWEEN THE AGENCY AND
COLLEGES AND UNIVERSITIES

1. The names of the colleges, the names of principal investigators and the positions of university personnel we know to be aware of the relationship are included as is a statement of the end-use of the project matter. Since these are totally unclassified projects, we assume that other university officials who review research proposals or administer them are also aware of CIA sponsorship.

2. Colleges and universities:

a. Baylor College of Medicine

1. Known to be aware of Agency sponsorship:

[Redacted]

STAT

c) Dean

d) Institutional Review Board

e) Administrators

2. End Use:

The work is oriented toward the detection of emotion in voice through objective and quantifiable methods as a human assessment tool.

b. North Carolina Staff University

1. Known to be aware of Agency sponsorship:

[Redacted]

STAT

c) Head, Department of Economics -

d) Administrators

STAT

2. End Use:

To develop a mode for use in predicting short-run (12-18 months) changes in flows and prices between different regions of the world.

ATTACHMENT 1 (continued)

c. University of Oregon, School of Medicine

1. Known to be aware of Agency sponsorship:

a)

STAT

b) Dean

c) Institutional Review Board

d) Administrators

2. End Use:

The work is concerned with the determination of the validity and utility of non-verbal communication measures (Kinesics) as a human assessment tool.

d. University of Texas, Medical Branch at Galveston

1. Known to be aware of Agency sponsorship:

c) Dean

d) Institutional Review Board

e) Administrators

STAT

2. End Use:

The work is concerned with the development of techniques to identify "good" assessors of people.

e. Washington University at St. Louis

1. Known to be aware of Agency sponsorship:

c) Dean

d) Institutional Review Board

e) Administrators

STAT

2. End Use:

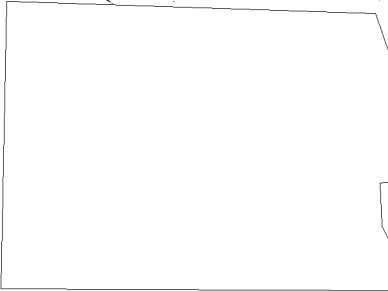

The work is concerned with examining psychophysiological measures which may discriminate between stimuli having special meaning to the subject and stimuli which merely surprise the subject -- for "use as a human assessment tool."

FOR OFFICIAL USE ONLY

3. a. Name of college or university contracted with:

University of Missouri

- b. Name and position of person or persons within the institution who were briefed or are aware of the contract:

 Vice-President of Finance
Director, Grants & Contracts

STAT

STAT

STAT

This is an unclassified grant with the Institute. The above are individuals who administer the grant at RIT.

c. Did the Agency contract on any of these under other agencies? No.

d. A short explanation of how much they knew about the project:

The named individuals in item b. were cognizant of all aspects of the grant. Because the grant requires participation by students (to support thesis research), RIT students were also aware of its existence.

e. Clearances performed on these witting personnel of the institutions, by the Agency, if any:

The following have Top Secret clearances:

STAT

f. What the end-use of the project matter or item was:

To support undergraduate and graduate student thesis research in photo science.

g. The position of the person within the institution who was briefed on the project:

See b. above.

UNCLASSIFIED

ATTACHMENT 2

CLASSIFIED CONTRACT BETWEEN THE AGENCY AND A
UNIVERSITY
